Leopardstar: *dangling upside down* wanna taco?
Blackstar: no thanks, the magic shadow is allergic to cheese.
Cloudfall: heeee

Blackstar's intro

Blackstar: Welcome to this spoof book, Blackstar is awesome!
Onestar: actually, it's called Waffles I ❤ dem.
Blackstar: oh well! This spoof book will be mainly focused on me...
Onestar: actually, it's focused mainly on Cloudfall.
Blackstar: But still, I get a large part...
Onestar: no you don't, you are barely in this.
Blackstar: Well, at least I get a free taco for being in this...
Onestar: no you don't, you have to pay.
Blackstar: shoot. Well, welcome anyway to this SUCKY spoof book that doesn't feature a handsome, popular, brave leader...
Onestar: your face looks like an upside down peanut that has been run over by a levitating Indian guy.
Levitating Indian guy: poppadom?
Onestar: you are not popular, everybody hates you, even me, and I like everybody. You couldn't fight a feather.*throws feather in Blackstar's face*
Blackstar: *girly scream* get the feather away! get it away! go away, feather! please! mercy me!
Onestar: /)_-
Blackstar: *still trying to kill the feather* I TOLD YOU FEATHER, I TOLD YOU!
Feather: /)_- nobody likes you.
Onestar: lets go do something normal like... um.... I got nothing.
Blackstar: *has the feather pinned on the ground but is really struggling* can....I....have....some....help....?
Onestar: *shreds feather into pieces.*
Blackstar: I think Firestar and Cloudfall should do the intro. YO FIRESTAR? GO GET CLOUDFALL AND DO THIS INTRO ALREADY!
Firestar: finally!

Cloudfall and Firestar's intro

Firestar: welcome to this spoof book!
Cloudfall: spoofy spoofy spoony spoon spoofs.
Firestar: It is based on trying to find out what goes on in Cloudfall's head. Is there any sense in there? are there flying rhubarbs?
Cloudfall: RUBY BARIBIES!
Firestar: O.O
Cloudfall: I AM CANDYFLOSS
Firestar: anyhoo, that's what will happen later. Cloudfall, that is not a cornflake box, that is a combustible spoon.
Spoon: yo!
Firestar:
Cloudfall: *shakes spoon* what is a combustible spoon? Is it something to do with a spoof? What is a spoof? What is this big red flashing button beneath my paw? Shall I press it? I think I'll press it.
Firestar: /)_-
Cloudfall: *fails to face paw* ow!!!
Firestar: welcome to the spoof book everyone!
World: blows up.

ON FACEBOOK...
Candy-floss_rules_the_world: WAFFLES!
Star_of_fire: Cloudfall? Is that you?
Candy-floss_rules_the_world: yup.
Death_of_Firestar: You hang out with Cloudfall now?
Star_of_fire: no Tigerstar...
Sand_in_ur_eyes: rejected.
Star_of_fire: no no...

Sand_in_ur_eyes: Good.
SticksRCool joined your conversation.
SticksRCool: Ooh Firestar likes Cloudfall!
Candy-floss_rules_the_world: what does spoof mean?
SticksRCool: I don't know.
InvincibleLion, Sharp_leaves_hurt_you and three others joined your conversation.
InvincibleLion: Firestar and Cloudfall are going out?
Sand_in_ur_eyes: NEVER!!!
Sand_in_ur_eyes logged out and is now rapidly brainstorming a wild plan to kill Cloudfall.
Candy-floss_rules_the_world: PROTECT ME!!!
Candy-floss_rules_the_world turned into Nyan cat a flew away farting rainbows and playing Nyan cat music.
Sharp_leaves_hurt_you: who are the 3 others?
MedCatsRock: I am Leafpool!
Santa_isnt_real_kids: I am a kill-joy!
Nyan4eva: CLOUDFALL
STOLE MY THING!
MedCatsRock: Bluestar, we all know you love Nyan cat, but Cloudfall is more random than you.
Nyan4eva is exploded into glitter.
MedCatsRock: do you need any herbs for that?
TO BE CONTINUED...

Warrior cats on facebook (part 2)

Santa_isnt_real_kids: I bet you can't guess who I am!
InvincibleLion: Blackstar?
Santa_isnt_real_kids: yup.
We_are_da_kits joined your conversation.
We_are_da_kits: whadda you mean Santa isn't real?
Santa_isnt_real_kids changed their name to RainbowRocks
RainbowRocks: Ha ha! Of course Santa is real! Everybody knows that!
Sharp_leaves_hurt_you: You do know RainbowRocks is a MyLittlePony thing, don't you?
RainbowRocks logged out.
Death_of_firestar: I bet Cloudfall and Firestar are smooching tongue to tongue right now.
We_are_da_kits: '~'
Death_of_firestar turned into a peach.
We_are_da_kits ate the peach.
InvincibleLion: I AM A LION!
Sharp_leaves_hurt_you: I AM A HOLLY BUSH!
SticksRCool: I AM GRUMPY!
MedCatsRock: I AM A POOL OF LEAVES!
Wait... Are we the only cats left?
MedCatsRock killed Jayfeather.
SticksRCool broke their stick in half.
Sharp_leaves_hurt_you choked on a sharp leaf.
InvincibleLion died.
That is the end of Facebook.

Why Facebook is bad

Sandstorm: Oh hai there Bluestar! Shouldn't you be in StarClan?
Bluestar: I want to team with you to throw jelly snakes at Cloudfall's butt!
Sandstorm: why jelly snakes?
Bluestar: SHE FLIPPIN' HATES JELLY SNAKES! ooh rhyme!
Sandstorm: you can team with me!
MEANWHILE, AT THE CLOUD FORTRESS...
Cloudfall: They're coming for me! Both of them are. I knew it!
Firestar: umm... Cloudfall?
Cloudfall: cookies?
Firestar: I was wondering if maybe we could... you know... team?
Cloudfall: but you I thought you loved Sandstorm!
Firestar: I do, but I need to apologise to her. About spending a lot if time with you and not with her. Oh, and I know that Bluestar hates icecream.
Cloudfall: oh, okay. BACON COOKIE WAFFLE WAFFLE WAFFLE!
MEANWHILE...
Sandstorm: *dressed in an army hat with a gun loaded with jelly snakes* are you ready, Bluestar?
Bluestar: RANDOM FIGHT!!!
Sandstorm: not yet. When we get there. Remember, you take on Miss. Random Face and I'll get Firestar. Take this gun, it is loaded with jelly snakes. Use it if she gets dangerous.
Not even gonna say it...
Firestar: *dressed the same as Sandstorm but with a gun full of ice cream* Are you ready, Cloudfall?
Cloudfall: RANDOM FIGHT!
Firestar: no, not yet. When we get there. Remember, you take on Miss. Nyan Butt and I'll deal with Sandstorm. Take this gun, it is loaded with icecream. Use it if she gets dangerous.
AT THE BATTLE SCENE...
really intense battle scene
Cloudfall: 1,2,3,4, I DECLARE A RANDOM WAR!

Bluestar: cookie, cookie, bacon sandwich.
Cloudfall: sand and witches, electric screwdrivers and automatic waffle makers!
Bluestar: *starts to sweat* umm... Fire lighters and, umm... banana trees?
Cloudfall: Taco, taco, bacon cookie taco taco elephant rice.
Bluestar: Eat my dust, dusty... dusty.... musty... CHEESE!
Cloudfall: I WIN! THE POWDERPUFF SAID CHEESE BEFORE THE CANDY-FLOSS!
Bluestar: NUUUUUUU! *Picks up jelly snake gun*.
Cloudfall: *picks up ice cream gun*
Bluestar: FIRE!
Cloudfall: FIRE!
Sad piano music comes on Firestar: uh... hey, Sandstorm, I know you're angry and all... *scratches head* and you probably hate me now...
Sandstorm: You bet I hate you! You're a great big JERK!
Firestar: Okay, well, I'm sorry I was spending too much time studying Cloudfall instead of hanging with you.
Sandstorm: FORGET IT, YOU FIERY LUMP! Wait, did you say... Studying?
Firestar: I never liked her that way, I just was studying her brain because she is so crazy I wanted to know what was going on in there.
Sandstorm: *Goes all sad* like, flying rhubarbs?
Firestar: you bet.
Bluestar: Shall we interrupt?
Cloudfall: TOTALLY!
Firestar: *leans closer like he is going to kiss her*
Sandstorm: *does the same*
Cloudfall: heeee

Firestar:
Cloudfall: What's goin' on?
Sandstorm: Nothing, nothing. Well, I think we have all learnt a lesson today. Making up then making out is much better than a jelly snake ice cream fight.
Firestar: Yeah!
Cloudfall: definitely better.
Bluestar: um... Cloudfall? Lets just both be Nyan cat, okay?
Cloudfall: nah, it's your thing.
Bluestar:
Cloudfall: BECAUSE I'M ALREADY A WAFFLE CAT!

Cloudfall: What does die mean?
Firestar: wow. We need a serious discussion about words in the next chapter.
Cloudfall: why not this one?
Firestar: BECAUSE GRAMMAR IS NOTHING TO DO WITH WORDS!
Cloudfall: really?
Firestar: I meant death. Grammar is nothing to do with death.
Cloudfall: That should be in caps lock.
Jewel: I know why this chapter is called die. Its because somecat's gonna die today... >:)

A/N

Hey everyone! This is just an A/N chapter, saying that this book is going to end on the fiftieth chapter. This is part 47, so.... soon I'm stopping writing this book. It is NOT because I'm not getting enough reads, I have 1k reads and that is AMAZING. It's because PEOPLE IT'S GOT SO MANY CHAPTERS! So don't attack me with a spoon, don't set Jewel loose on me, don't throw jelly snakes at me, THERE WILL BE A SEQUEL. And also, can we have some people doing my adoption book? That doesn't really matters though, what matters is that I've gotta make a new cover for my sequel. Dangit.
